How to use Email Signature

Siddhesh Powale

Create a Signature

You can create an e-mail signature to help others identify who you are and what team or project you represent.

1. On the Outlook **Tools** menu, click **Options**.
2. In the **Options** dialog box, click the **Mail Format** tab.
3. In the **Signatures** section, click **Signatures**.
4. In the **Signatures and Stationery** dialog box, ensure the **E-mail Signature** tab is selected.
5. In the **Select signature to edit** section, click **New**.

6. In the **New Signature** window, type a name for the signature, and then click **OK**.
